

Make your voice heard!

Rebecca Tvedt Skarberg

Epag BOND-ERN

Eurordis Membership meeting 2019

Take home message!

Complexities of rare disease
are universal.

We are not going to stand for
low expectations!

We are not too few, too complex, and too
difficult to deal with, too costly or not
justifiable in budgets because of the mere
fact that we are rare.

We are here - this is now - and we will contribute!
