DIRECTIONS FROM AIRPORT TO VENUE

From Riga International Airport to Radisson Blu Latvija by public transport (40 minutes):

- There is a bus stop 300 metres behind the Arrivals Hall in Riga International Airport – please follow the “public transport” sign. **Bus route number 22** will take you into the city centre in approximately 30 minutes. The No. 22 bus departs from the airport every 10-30 minutes. All buses on the Riga transport network are accessible for wheelchair users. Once you arrive in the city centre, there are two options for reaching the meeting venue:

Option no1:

- Exit at the “**Town Hall (Novembra krastmala)**” bus stop.
- The hotel is 1,3km away and will take 17 minutes by foot (via Kalku iela)

Option no2:

- Exit at the “**Sloka iela**” bus stop, walk 2 minutes to “**Valsts Arhīvs**” bus stop and take **bus route 37, 41 or 53** to the “**Esplanāde**” bus stop. From here, the Radisson Blu Conference & Spa Hotel is a 2 minute walk.
- This journey will cost €3, and you can buy tickets at stations equipped with ticket machines, or through the mobile application **Mobilis**.
- It is possible to buy tickets for most public transport options in Riga that are valid for 24-hours (€5), 3-days (€8) and 5-days (€10).
- When taking public transport, you must validate your ticket on board by scanning your ticket at the validation touch-points. Travelling without a valid ticket can lead to a fine of about €50.

More information on transport to and from the airport can be found here:

<https://www.riga-airport.com/en/transport-o>

General information about transport in Riga can be found here:

<https://www.rigassatiksme.lv/en/>

NB: We recommend participants to choose public transport over taxis wherever possible. If you need a taxi, a journey from Riga International airport will take approximately 25 minutes, and would cost around €20. The two taxi companies recommended by the airport are “X Taxi” and “Taksi LV”.

More information on taxis from the airport can be found here:

<https://www.riga-airport.com/en/taxi-service>

ADAPTED TRANSPORT

Public transport in Riga is generally very accessible. Most of the city buses are equipped with a ramp at the second door and also have a dedicated space on board for wheelchair users. For trams, the more modern trams have low floors and are wheelchair-accessible. However for trains, only a few stations are accessible, and assistance can be booked in advance.

For partially sighted attendees and those who are hard of hearing, information about upcoming stops are communicated both audibly and visually.

Additionally, the taxi company "RedCab" offers wheelchair-accessible taxis. However, due to short supply, these must be booked at least 4 hours in advance. Book via their website (<https://redcab.lv/booking-a-taxi/?lang=en>) or through the "RedCab" mobile application.

Currency

The currency used in Latvia is the Euro (€).

Electrical sockets

Latvia uses the Type F plug. Type F sockets have two round pins with an additional grounding pin and are used for devices that require an earth connection.

Weather in May

In Riga, May is a pleasant month. The average high temperature is around 18°C (64°F), while the average low temperature is around 6°C (43°F). Despite the mild temperatures, the wetter season begins at the end of May. Therefore, it is recommended to bring a coat or umbrella, as well as a light jacket or sweater for cooler days and the evenings.
