OA X Advocacy

Rare Disease Week 2024

When? What? Why?

- 18-21 November 2024, Brussels
  - Stay in the Moxy Hotel
- 3-day event, preceded by pre-training elements, consisting of MEP meetings, networking, seminars and more
- Aims to leverage the power of patients to relaunch the network of Parliamentary Advocates for RD

What's in it for you?

- Skills to take back to your organisation to use on the national and EU level
- Familiarising newly elected MEPs with RDs and RD issues, spotlighting the issue for them
- Better understanding of the political system and more strategies to achieve advocacy goals
- Chance to network and build your own network with fellow patient advocates
- Confidence building, leadership training and creating momentum in a new political cycle

(Rough!) agenda

Pre-training:

- e-learning courses from the OA
- Webinars on leadership, negotiation and influence
- Webinar prepping for the f2f on advocacy messages

In-person (3 nights):

- Arrival Monday morning
  - Start after lunch - Welcome and introduction
  - Afternoon: Commission at the hotel/workshop with advocacy team to prep for meetings the next days (speed dating/role play)
  - Evening: Welcome drinks/reception (by health attachés/ambassador to EU)
- Tuesday
  - Morning: Tour of parliament/ Meeting MEPs
  - Afternoon: Meeting MEPs/Roleplay
- Wednesday
  - Morning/ Lunch: Launch meeting of network
  - Afternoon: Meeting MEPs/Roleplay
  - Evening: Debrief / closing dinner
- Leave Thursday

Next steps

We will send you more information by email in March, explaining the application process; in the meantime, think about who from your organisation/members might like to attend!

Thanks!

Why learn Spanish?

Mercury is the closest planet to the Sun and the smallest one in the entire Solar System. Contrary to popular belief, this planet's name has nothing to do with the liquid metal. Mercury was, instead, named after the famous Roman messenger god Mercurius

Mercury takes a little more than 58 days to complete its rotation, so try to imagine how long days must be there! Since the temperatures are so extreme, albeit not as extreme as on Venus, Mercury has been deemed to be non-habitable for humans

Tips for learning Spanish correctly

Do you know what helps you make your point crystal clear? Lists like this one:

- They’re simple
- You can organize your ideas clearly
- You’ll never forget to buy milk!

And the most important thing: the audience won’t miss the point of your presentation
